

## MEMBERSHIP APPLICATION FORM

The Society of Southwestern Entomologists (formerly the Southwestern Entomological Society) was organized in 1976 with the objective of fostering entomological accomplishment in the southwestern US and Mexico. A primary function of the Society is the publication of the quarterly journal *Southwestern Entomologist* (March, June, September and December). Current members have on-line access to the *Southwestern Entomologist* at no charge. Also, current membership of the corresponding author is required to submit a manuscript for publication

Membership is \$20.00 per calendar year. Complete this application and return it to the address below with a check for \$20.00 (US dollars, money order or check drawn on a US bank,) payable to the Society of Southwestern Entomologists.
